Subject: Possible dog abuse.

Goodday

We did a walk up signal hill about 3 weeks ago.

At the noon gun, behind the gate is a very neglected house.

There is a big dog in a small out building, no space to move. He is on a chain.

We were very worried about the dog. The people said they tie him up because he run away.

Please could someone investigate this.

Kind regards

Mariaan de Villiers
