Good day NSPCA

Hope this message finds you well. I'm connecting with you regarding pitbull next door that's dangerous for my children safety and I'm also worried the way it bucks with pointing ears also they don't feed the pitbull.

We seek for your advice on what to do because it might do something to our children or us the owner says it does not bite it a small pitbull .This dog needs to be removed from this house SAP .

Name of the street Ny42 No23 Gugulethu and ask for RASTA he is the owner of the dog , pitbull stays at the back .The dog bucks each and everyday and night we are scared.

Your sincerely.
