Comments:	Apon arrive we spoke with the owner Mr Kervin who informed us that he is planning to sterilize only one dog(Pitbull) and he is not planning to sterilize the other 2 dogs for his reasons. The whole process of applying for breeder's permit for keeping the animals over the age of 6 months unsterilized was explained to him and he said if that is the case then he will consider to sell his dogs over the weekend. A copy of application form for breeder's permit and a 14days compliance notice was issued.
