Comments, if any:

Upon arrival, myself and Inspector Lwazi Ntungele from the Cape of Good Hope SPCA met with Mrs Roslyn Booysen, owner of the dog on the property. We observed a medium Pitbull dog, fair body condition, free roaming on the property. The dog had access to adequate shelter and water, and the living environment was hygienically clean but there was quite a bit of obstacles and hazardous objects in the area. I informed the owner that they will need to clean the area of the hazardous objects as it poses a risk to the dog. She agreed and said they will sort it out.

I issued a warning, 21811, to:

* Clean and hygienically maintain the animal's living environment within 6 days, with reference to clearing the living environment of any and all obstacles.

Myself and Inspector Lwazi Ntungele cosigned the warning, and Mrs Roslyn Booysen signed and accepted the warning.
