Good day.... I did get a letter from my neighbour from the Spca about a cat that is wandering in the complex. First of all it's not my cat, I don't know where the cat is and I don't have the cat. I saw the cat once here and never again. I took the matter to tell the trustees of the complex about the cat and no one knows who the cats owner is. I don't know who gave my number to you but I am not responsible for the animal. I will never ever harm an animal and that is why I took the time to tell the trustees about the cat. Contact Sebastian at 0764829387 he is in charge here at the complex. I Never threatened to harm the cat I was just concern about the cat and that is why I report it.
