Please describe the concern you have
Hello SPCA

There are many businesses on the Salt River side of Voortrekker Road that have dogs on the property (i have seen you in the area doing inspections before)

At 23 Voortrekker road, there is a business called PD Motor Spares. I stopped my car the other day as their 3 dogs were roaming out of their gates, alongside the zooming cars on Voortrekker Road. I got out of my car and asked that they secure the animals by closing the gates. With that being said, they had 2 older dogs who not in good shape - thin, afraid and mangey, along with another dog which seemed in the best condition of the lot (however it was much younger). I fear for the wellbeing of these dogs, it seems as if they live in a scrap yard too.
