Subject: Re: CoGH SPCA: INSP220735 Dog being held in a garage

Good evening,

Please don't take this case lightly because, this man Peter Titus and his wife Lily Titus are mentally unstable people.

They had two big Huskies about four years' ago that they also held captive in the garage for year's. We could only hear the dog's crying all the time. Eventually those dog's became blind and, died..

Peter has a history of abusing animal's and his wife Lily side's with him. They are abusive towards innocent animal's.

You must keep doing check ups on them regularly so that the dog they have now can be rescued please.

That dog doesn't deserve to be abused.

Thank you and, Kind Regards
Lauren Isobell
