| Time:        | 21:16          |
| Inspector:   | AYANDA NGCOFE  |

---

|                 |                                                                                                             |
|-----------------|-------------------------------------------------------------------------------------------------------------|
| Type:           | CASE NON-COMPLETION NOTE                                                                                    |
| Follow-Up Date: | 2026-01-15                                                                                                  |
| Comments:       | Due to most of my cases being far North and the distances between them. I could nit get to this case today. |
