Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	I discussed the case with the manager since the complainant contacted me stating that they did not Reuben and they set a trap for him. It was advised that the complainants must provides affidavits and be willing to go to court to testify, and should the complaint be found to be vexetious, then will have to pay a fine. For now the case should be closed as we were on the property and did the inspection. If we go back now again for the same thing. We might look like people who are harrasing Reubern and his got a right to take action against us. NFA
