Comments:	Upon arrival we met with the owners wife yusrah Pitts who gave us access . We observed 3 animlson the property all with access to food and water an shelter. Upon inspection we observed 1x pitbull named junior enclosed within the shelter with freedom to roam within the enclosure . Junior (black pitbull) does come out during the day and only been caged when they open the gate. The enclosure of junior had a faint urine smell which was addressed and complaince was issued for . The other 2 jack russels are females roaming freely whitin property boundaries.
