Type:	CALL RECORD - MADE
Follow-Up Date:	2026-01-05
Comments:	I called the complainant and she informed me that the owner was there 2 days ago to feed and give water. I also asked if she is still giving food and water. She confirmed that her husband gives water and food to the dogs. I spoke to Rudi about the matter as I have a lot of cases for today. Because the complainant is feeding and giving water I will go to the property on Monday.
