Comments:	Due to the nature of this case, myself and Inspector Davids did recon on the house in question. I also spoke to the complainant and received more information, where apparently the house 41 A 11th Avenue, Pelican Park, is where the injured dog is located and some of the guys involved in dog fighting lives there. The other mentioned property, 14 Aaron Road, Pelican Park, is where more of the boys lives. The actual property where the fights allegedly happen is in Swallow Road, Phumlani, but she cannot say where exactly. Upon recon we found a car in the property of 41 A 11th Avenue and I checked the vehicles registration for details of the owner but the feedback came it was registered in Gordons bay and was expired since 2017. After further discussion with Rudi, its agreed that we will do inspections at the abovementioned properties tomorrow morning and try and locate the property in Phumlani and do the inspection there.
