Thank you for caring about a pet you can no longer keep. Giving your pet to the SPCA will mean that you cannot get it back. Do you accept this?

We never turn any animal away which means we often face capacity constraints . As a charity, we also have limited resources with which to care for a very high volume of admissions. We cannot guarantee that your pet will be rehomed. Do you accept this?

The SPCA rehomes responsibly, and for that reason cannot rehome aggressive animals or animals with serious health issues. Humane euthanasia may be considered following veterinary or behavioural assessment. Do you accept this?

Before proceeding please note that once you surrender an animal you as the owner will be signing your rights over for that animal to the SPCA in which once we collect the animal doesn't ever come back and there is no cooling off period in which you can come back to claim the animal or say that you want the dog back as this is a permanent decision that you will be making to surrender.

Please confirm if you are happy to proceed?
