Comments:	whatsapp received: This lady has had three kittens and all of them are left to roam freely in the complex at all hours including late night, even during the heavy rains, she leaves them overnight. The one got knocked recently and one she gave her away to another Neighbour and now I see she got another kitten but still no care. He is left alone and escapes crying by my side. It's heart sore to see the third kitten treated so poorly by them. I'm not if he has fresh water and food. He is just a few months old.
