Subject: Animal cruelty 20 cats in house

Good morning to you,
My Aunt Rosaline Jantjies is a pensioner of 74 years old, and that stays with her Son Diayan Adams, at 37 Cormorant Avenue, Rocklands .

He has 20 cats, in the house and the house stinks, as they have a huge sand pile of poo and pee behind the front window,next to the front door.

Went we went to visit her, my sister Daphne Jansen And I, Deseri Smith, but we couldn't talk long, as the smell of the wee are too strong, and we told him to get rid of the cats, give it away to people that love animals, and he said that he has already, got rid of 10.

The next time when we visited, he did not want to open the door for us, and it continued for another 3 visits, so on Friday we went to the police and ask them to escorts us to their house, again he did not want to open saying the door can't open, and ask for a warrant, and the police said they are bringing in the Social workers if he don't open up. He did not want to open the door and only open the window. When he did that we could see the big flies all around in the dining room, and it still stinks in the house. The water is also disconnected there, so I am very worried about her condition, and the cats.

Please can you send someone to collect the cats, as I saw my Aunt lost weight, and I don't think that he is working, so who feed the cats, my Aunt Sassa..The house looks dirty and stuff and clothes all over the house.

If you need more info, please contact me on 0719156675.My sister Daphne will confirm what I am saying as we always goes there together.

Thank you

Yours Sincerely,

Deseri Smith
