Comments:	Regarding case CAS 230/02/23, it appears the legal attorney recommended that the accused plead guilty. This advice came after the accused attempts to defend themselves were unsuccessful. The public prosecutor mentioned that they will inform me about the sentencing. I subsequently notified Shiven, who believes it's essential for us to be involved in the sentencing process. Shiven plans to escalate the case to the Chief, who will then oversee the drafting of the sentencing, on this case the accused and his legal attorney waisted SPCA's time as well as the resources.
