Comments:	I received a vet report from oscars ark showing when the dog named telly sarvalas was seen by AWS Stellenbosch, the dog was previously known as Ollie at AWS stellenbosch , the dog was renamed by oscars ark. I called AWS Stellenbosch from the office landline and they confirmed the dog was seen by them, i asked AWS Stellenbosch if the vets can put something in writing confirming the dog is fine and they confirmed they will ask the vet. Will follow-up later in the week
