Follow-Up Date:	2026-03-16
Comments:	Spoke to the complainant, explaining that the case has it an impass where we are struggling to get enough evidence to proceed for a warrant, as there are no clear welfare concerns at the property, despite all the concerns logged with us from them. I did tell her that there is a bylaw case open now and we will hopefully run with that case. Also, if they get solid evidence for us then she can send it through for me to tackle the owner properly with it.
