Good day

We live in a complex of flats in Bloubergrant. My address is Unit 203, San Norina Gardens, Tritonia Rd Bloubergrant.

Underneath us in Unit 104 is a lady Hannelie who has 3 cats.

This lady and her boyfriend (who is at home all day) smoke dope all day long inside the flat. It carries on throughout the day and night.

This has been happening for the last 6 months.

We are concerned at the welfare of these cats in that environment.

Could you please send out an inspector to check.

Regards

Lucien Nel
