Comments:	I took the postmortem results to the spca vet who interperated the results to me, as per the postmortem results the dog had prior underlying health concerns which caused the sudden death in the dog. As per the outcome of the postmortem results no faul play or any external factors was noticed in relation to be the cause of the dogs sudden death, i see no contraventions of the animals protection act 71 of 1962.NFA
