| Date:        | 2026-03-04       |
| Time:        | 18:11            |
| Inspector:   | JEFFREY MFINI    |

---

|                 |                                                                                                      |
|-----------------|------------------------------------------------------------------------------------------------------|
| Type:           | CASE NON-COMPLETION NOTE                                                                             |
| Follow-Up Date: | 2026-03-05                                                                                           |
| Comments:       | I had an injured dog that needed to be seen by the vet, that caused to be unable to get on the case. |
