| Inspector:   | JEFFREY MFINI   |

---

|                 |                                                                                               |
|-----------------|-----------------------------------------------------------------------------------------------|
| Type:           | CASE DISCUSSION NOTE                                                                          |
| Follow-Up Date: |                                                                                               |
| Comments:       | As there were animals at the property, i think we close the case until the further notice.nfa |
