Comments:	I can confirm she is not registered to breed as she mentioned on my last visit about breeding and I gave informed her about the laws pertaining to breeding and she confirmed she does not have any permits or such, that is why I offered her sterilization at that time. She agreed to the sterilization that time, but since she has rescinded her choice, we will need to send LE to begin their process. Welfare wise, there were no concerns noted, therefore the case can be closed from our side, NFA
