Comments:	In connection with case from No 129 Cypress Way Westridge. After receiving a call from Inspector Ayanda, who wanted to know if she would take a stand or not as she is A 3 on the case, I went to court and met with the new public prosecutor, Ms Shadrach. She informed me that the trial won't proceed on the 16th of April as the magistrate is on leave. I mentioned that one of our inspectors would be coming from Johannesburg, and she said Inspector Ayanda doesn't have to be present, but would like Inspector Lee and myself to be present on the next date.
