Comments:	New complaint received from the same complainant: PLEASE INSPECT: Received a call from Bianca who reported the first case INSP 218897 - 8 Months ago and the animal was attended to then. Now she reports that the cat has a bladder infection and is struggling to urinate +- 1 week ago, and the owner knows about it and has not taken the cat to the vet, the cat also has a cyst the size of a R5 coin on the abdomen area near the belly button.
