Comments: Dear Mr Philander

Thank you for taking my call with regards to the further assessment of Arnie .

I have just phoned Steenberg Vet and can only see Gina du Plessis at 09:00 on Tuesday 28th April as she is currently away. In the meantime I would be available on any weekday from 14:00 onwards for the inspector to come and assess Arnie prior to the appointment with Gina .

At the beginning of April I had make a provisional booking for Sunday 26th April with an animal transporter to take him to Birds of Eden. I do need to let them know whether he would still be able to be collected on this day, or whether you would want the report from Gina first before he will be allowed to travel?

Regards
Liz Werth
