Comments:	Checked with control, still no answer from the complainant. Consulted with Supervisor Rudi, and informed him that the previous inspectors who attended was conflicted in the cage being of adequate size, as some believed it was good and some did not. I checked the pictures and believe it is of adequate size legally, and to pursue the case to have the cage extended we wont have a strong enough legal backing, especially since the owner has turned hostile. We also established from the previous inspectors that the dog spends at most 6-8 hours a day in the cage and is free roaming the rest of the time. Therefore, we will need to close this case. NFA
