Comments:	Called Oliver back in response to his call to us. I asked him when he was released from prison and he claimed to be released on Tuesday, the 30th of June 2026. I asked why he hasnt come earlier to claim his snakes and he said that he had financial difficulties as his flat was flooded and electrical wiring was an issue. I told him that after 7 days according to Regulation 468, the snakes unfortunately belongs to the SPCA now. He replied and said that he will be at the Spca within 40 minutes. I reiterated that the snakes belong to us now. He kept quiet, i asked whether he understands, he still kept quiet, i said his name and he said sorry he cannot speak right now as he is busy driving and ended the call.
