Subject: Re: CoGH SPCA: Dog neglect suspicion

Good afternoon,

Just some feedback regarding the dogs. We were able to take these pictures over the weekend. The gate to the property is broken - so you can see the dogs from the pathway.

The whitish dog is not the concern at the moment, its the brown one (bottom photo). With a closer look you could see the hip bones. This is the one that tried to jump the fence - presuming to look for food.
