Do hereby make oath and state:

1. I am an adult female residing in the above address.
2. The facts contained herein are within my personal knowledge and are, to the best of my knowledge and belief, both true and correct.

1. On 3 August 2026 at about 17:20 I was driving home and past a car wash on the corner of Rose and Castle Street at the Bo Kaap.
2. The traffic was congested so we were standing still for a while. I noticed the car wash and two puppies (one black and one camel) eating out of containers that had fallen out of the garbage bin on the premises. The puppies looked neglected hungry and very scared. (tails were constantly tucked in).
3. A black man (between 55 and 65) was working on the fence inside the car wash. He noted the dogs eating close to the garbage bin (about 3metres away from him). He, then picked up what looked like a stone and threw the dogs with the stones. They immediately ran away to a shack that seemed to also be built in the same premises.
4. I did not see any food bowls or any water bowls for the dogs.
5. The next day I returned to the premises to gather information on the address as I wanted to report the case to the SPCA for neglect and abuse of animals.
6. I noted the one black dog again at the rubbish bin trying to get food. It still looked very hungry and very scared.
7. There was a young black or coloured man (about 18 to 24) on the premises. He came out of the shack as I was busy taking a photo of the dog to give to the SPCA. I asked him who the dogs belonged to and he said the dogs belonged to the owner.

I make this affidavit for the purpose of the SPCA requiring my affidavit to investigate the abuse and neglect of the dogs on the premises of the carwash.
