Dear Malmesbury Animal Hospital,

I hope this message finds you well.

I am Siviwe Noko, an inspector at the Cape of Good Hope SPCA. I am following up on information provided by the dog owner (Lee [072 799 5058](tel:0727995058)) regarding her dog named Bella. The owner advised that the dog was examined and subsequently put to sleep. Could you kindly confirm whether this examination and procedure were carried out at your practice?

Your confirmation will assist us in updating our records accordingly.

Thank you for your assistance.

Kind regards,

Kind regards

Inspector

Siviwe Noko
