Subject: Help needed - multiple visits

Hi Rudolph,

Hope you are well.

SPCA has been to this address multiple times, but it seems he gets warnings and nothing else, while he continues to mistreat his dogs.

He has a white pit bull that he now ties up in a tiny cage, I think when SPCA arrives, he lets the dog out.

Please go back and check and insist to see the caged hokkie and his back area.

I have seen it with my own eyes, please help these dogs, this cannot continue. He treats his dogs horrifically and the only reason the dogs eat is that neighbours and I get food to them.

Address is:

85 Beethoven Road, Cafda village

Images attached so you can ID the house easily.

Warm regards,

Tracy Gardner
