Follow-Up Date:	2026-08-14
Comments:	I contacted the Investigating Officer of the case , Sgt. Pitsi. She informed me that they went to the property but were unable to locate the accused. She stated that she had discussed the docket with the Senior Prosecutor, who advised that there was little that could be done, as the accused could not be arrested for concealing information regarding the dog and that the SPCA would 've issued a fine. I attempted to explain that, in terms of the Animal Protection Act, concealing an animal under investigation constitutes an offence. However, she did not understand my explanation, and I did not have the specific charges with me at the time. I request that Inspector Justin contact Sgt. Pitsi on her cellphone number 0798941302 to explain the charges that have been laid against the accused.
