Please see the gardener's (John) contact number who lives on the property and can allow access. John is very reliable and also worried about the dogs. I obtained his number from my housekeeper as they are family. I have also provided every other phone number from the other gentlemen living on the property. John : 064 839 3814 Michael: 083 703 3533 Josh : 0660678473 Another suggestion is for the SPCA inspector to rather come to my property between 5 and 6 pm if possible to meet the owner face to face as he will be dropping off my son with me . Apologies for being on your case but I worry the owner is just buying time to feed the dog fat once again before getting a vet report. Kind regards, TEAH MURPHY 2026-08-11 14:06
