Subject: "Obi-wan" Marais 02965

Good morning,

Obi-wan was seized by the SPCA yesterday (case number 02965). The owner is very unhappy and wants me to write a report. I am unwilling to write a report as it will only harm his case. I am curious as to the dogs current weight. I saw the dog on the 14/04/2026 and he weighed 26kg, and on the 02/05/2026 he weighed 24.7kg. I never saw the dog again. This dog's biggest issue was emaciation due to illness and poor diet and if this dog has lost further weight I am not getting involved in helping this owner. Would you kindly provide with the current weight?

Thanks
Dr Jono Roberts
