Subject: ASSISTANCE REQUIRED

Morning Inspectors

We need assistance at the following address please :

Desiree Philander
65 Helene Crescent
Ocean View
0837739161

We received a request regarding her dog, Jessie. She indicated that Jessie hadn't eaten since Saturday 1st August and was constipated as well. She was also informed regarding sterilization, to which she agreed, as we do not treat without sterilization. When Sive arrived at the above address, he saw that Jessie was displaying neurological signs. Owner refused to hand over the dog to Sive. Desiree was contacted by TEARS, this morning and she indicated that the dog had died.

Many thanks for your assistance in these matters.

Kind Regards

Melany
