| Comments:       | Karin Called requesting Feedback. I gave her Feedback as per the Inspectors report. She was concerned as she still see's th female dog running around in the streets and is worried that she would become pregnant again. Karin alleged that the owner breeds the dog to sell the puppies. I advised that we are in the process of assisting with Sterilization and refered Karin to LE for the dog running around in the streets and the breeding allegations |
