Comments: I emailed Cape Nature: Good day

Hope you are well.
I would like to report a matter that I am dealing with and would like to confirm about the owner's claims .
I received a complaint about a man named Bulelani staying at 18 Symphony Villas, Schubert Road, Sonstraal Heights that is in possession of a leopard tortoise due to cultural beliefs. He obtained it from the Eastern Cape.
He is in compliance with the Animals Protection Act 71 of 1962 as the tortoise has access to food, water, shelter and grass as roughage. Therefore, my hands are cut off.
However, I did ask him to apply for a permit with Cape Nature and he showed me that he has received and completed the application form to keep the tortoise.
I am just reporting the matter to you and request that you follow up and investigate the matter further.
Case can be closed. Nfa
