Comments:	Mr Paul Retief 0602647955 from 36 Salt River - Woodstock called in connection with the Notice to Comply ref no: 16331, that was left at the mentioned address stuck to the wall , He does not appreciate being harassed and intimidated. The letter that was left at the premises was in the full view of the public to view. The SPCA is not following proper procedure. The POPI is being infringed and Mr Retief request a letter of apology; his character is being assassinated. The inspector went to get his information from the neighbour, and that is an infringement and it disrespects his privacy. Mr Retrief will check his availability to answer the phone when the inspecto calls him and the inspector can leave a date for the appointment to meet him by voicemail.
