| Follow-Up Date: | 2026-08-21                                                                                                                                                                                                                                       |
| Comments:       | I confirmed the dates in which the respondant was at our hospital. However Insp Davids feels there should have been a more recent visit. I will do a physical follow up for the dogs condition and the medical records are attached to the case. |
