| Comments:       | <p>Mr JP ( 0723195920) called who is a neighbour that lives across the street and wanted to provide information to the SPCA inspector as he saw on his cameras that the inpsector has been to the address as few timea and says the people at the address will not open the door for any SPCA or police .</p> <p>He has CCTV camera that sees to that house - he recently wiped the cameras and can get photographic images of the dogs. He also mentions that after the inspector leaves the people comes out and do there daily thing so he suggests the inspector to come back and then leave but wait around the corner then go back and he will see people at the address.</p> |
