Comments:	I have reviewed this case. Did the dog have any injuries as a result of the alleged kick? If not, then I suggest you go back to the property to issue a written warning to the owner to refrain from kicking his dog, or in the alternative, you can ask the LE officers to go with you, and let them issue a fine under Section 2(1)(a). I do not believe we have sufficient evidence for a cruelty case here . With regard to the complainant's dog being attacked, she needs to be referred to Law Enforcement for this as it falls under the Animal Keeping By Law.
