Hi

Hope you are well.

Im following up and previous email incase it was not received.

The doggo is now sleeping outside the front door, no food and water, the neighbours are given her water and food.

To whom it may concern,

Im writing to you on this thread, to make you aware of the paper trial.

My first email to you was in September 2024 which you actioned , then again in September 2026 which you also actioned.

Once again im here to report the same people with the same problem, are they able to banned these individuals from owning a pet?

Address: Flat 1 Sharomia Court, 16 Lawrence road, Maitland

You have taken 3 dogs away from them, on different occasions as they have proofed they dont kook after their pets....they have a dog, which unfortunately i do not have pictures of but she barks whole night, they leave her outside in the cold because during the day i don't see her, when i did see her she was only bones covered with fur

I believe the kid has a puppy, just a few months old.

Please find attached video, its dark so you cant see but you are able to hear.

The only thing this doggo is guilty of, is loving these cruel sadistic people unconditionally

Please help, Please VID_20260725_014813.mp4
