Hi Tamryn,

I am not in the area. It was at the beach in Strandfontein where they are busy with construction - in close proximity to public parking.

The dog is sitting inside that construction area where it's sheltered.

Please let me know.

I can try to go there at 6pm.

Subject: Undernourished and possibly sick dog

Hi there,

This dog is hanging around at the Strandfontein beach where they are busy with construction. She is absolutely lovely but starving and may be sick.

Can you help get her into a shelter? I would like to take her for walks and stuff. Can't adopt her because I live in a flat. Or I can house her until someone adopts her.

Please let me know.

My number is 0621410683

Regards,

Dom
