Thank you for caring about a pet you can no longer keep. Giving your pet to the SPCA will mean that you cannot get it back. Do you accept this?

We never turn any animal away which means we often face capacity constraints. As a charity, we also have limited resources with which to care for a very high volume of admissions. We cannot guarantee

that your pet will be rehomed. Do you accept this?

Is your dog small medium or large in size?

Please note that once you surrender an animal to the SPCA there is no cooling off period in which you can come back and say you want the animal back as this is a permanent decision you will be making as you will sign your rights and legal ownership of those animals to the SPCA so once we collect the animals do not ever come back.

please confirm that you understand and are ready to proceed?

We can only collect next week Tuesday

While we do our best for every surrendered pet, we are unable to guarantee rehoming. Capacity and resource constraints as well as stress relating to the shelter environment, serious health or behavioural concerns may make compassionate euthanasia unavoidable. Please consider this and call us (0217004159) if you prefer to cancel your pet's collection. Your reference number is INSP235727
