Good evening

Has the inspector called you by any chance?

AUG 19, 21:32
No he has not
The inspector wanted to take my baby
She sleeps inside and is only outside while me and my husband is at work
The guy staying in the main house had to stop him from taking her
I'm really confused about this whole situation
Please help
Teah Adams is away, the conversation is forwarded. AUG 19, 21:32
