Comments: Dear Elani

Trust you are well.

Please could you assist? Nakita removed a tortoise from a property out in Zeekoevlei on admission A102312. The so-called owner came to the office and said he would like to claim the tortoise back. Rudolph spoke to him and mentioned that we would ask our wildlife facility to find out from Cape Nature what the requirements and process would be to get the tortoise back. This is now for this person to obtain a permit.

He was advised that the holding period is 7 days.
