I had to move in a haste and my neighbor offered to keep him , but they have a jack Russell and they have been playing well together, but she let me know that they have been fighting with each other

Hi, You do understand that once you sign the dog over , you may not enquire about the dog as it will be the property of the COGH SPCA?

Good day .

May i ask why?

Nikita September

AUG 04, 07:21

Because we do not offer a service where we take the dog to care for it and then the owners collect it again. Once the paper is signed the animal belongs to the SPCA

I only want to know that he will be safe and cared for...

Nikita September

AUG 04, 08:08

Please note that once you surrender an animal to the SPCA there is no cooling off period in which you can come back and say you want the animal back as this is a permanent decision you will be making as you will sign your rights and legal ownership of those animals to the SPCA so once we collect the animals do not ever come back.

please confirm that you understand and are ready to proceed?

We won't be able to collect this evening though

Your animal is healthy and we can only collect on Wednesday but that is not a guarantee

Nikita September

AUG 04, 17:21

While we do our best for every surrendered pet, we're unable to guarantee rehoming. Capacity and resource constraints as well as stress relating to the shelter environment, serious health or behavioural concerns may make compassionate euthanasia unavoidable. Please consider this and call us

(0217004159) if you prefer to cancel your pet's collection. Your reference number is INSP235773
