Hi, what is your full address? We do have a fee of R350 as well

Please note that once you surrender an animal to the SPCA there is no cooling off period in which you

can come back and say you want the animal back as this is a permanent decision you will be making as you will sign your rights and legal ownership of those animals to the SPCA so once we collect the animals do not ever come back.

please confirm that you understand and are ready to proceed?
