And yes I was told the cat was first hit against the floor and then submerged in water to prevent us from the chance of saving him

[18:57, 8/6/2026] Control: Did you get a affidavit stating what has happened as well

[18:58, 8/6/2026] +27 78 708 4464: No as I said the woman who witnessed it will be unwilling to make a statement because she's scared for her safety. I'm still waiting for a trusted family friend to talk to her to convince her and assure her safety

[18:58, 8/6/2026] Control: I understand.

[18:59, 8/6/2026] Control: i am just speaking to my supervisor regarding the situation.

[19:13, 8/6/2026] +27 78 708 4464: Okay thank you. Are you not able to begin any investigation if there's no affidavit?

[19:15, 8/6/2026] Control: We will collect the body but we need to know that the owner agrees. The statement is very important

[20:16, 8/6/2026] Control: Hi

[20:16, 8/6/2026] Control: Our driver is there to collect the body

[21:20, 8/6/2026] +27 78 708 4464: Hi there my apologies. The body was already collected yesterday. What I got today was further evidence of the blanket with blood, I was told that if I can hand that over then I should
